

## Hello Competitors

Welcome to the first MoBeach match of 2025. This is an indoor 50ft event, held on Saturday, January 18th.

\*\*\* NOW PAY ATTENTION \*\*\*

This will be a K.I.S.S. type of match. For those not familiar, that means " Keep It Simple Shooter." Therefore, no Open class. Just bipods & sandbags for everyone.

Relays will be every hour, on the hour, starting at 8am, then 9am, 10am, 11am, and finishing with the 12pm relay.

Distance is 50 ft, or 15.24 meters, if you're feeling metric.

Targets will be MoBeach Egg targets, of varying sizes, and NRA A-17.

Reservations for a preferred relay can be confirmed by emailing Tony Almeida directly  
[aalmeida0229@gmail.com](mailto:aalmeida0229@gmail.com)

Classes will be MoBeach's Match, and Sport.

SPECIAL CONSIDERATION will be afforded Competitors who might find a position difficult to accomplish due to its physicality.

What is SPECIAL CONSIDERATION you ask? Sign up, show up, pay up, & find out !

Also, here's one of Tony's tantalizing target tidbits. .22lr target pistols will be allowed for those who dare!

Competitors will have 5 minutes for equipment setup and unlimited sighting shots on paper sighting targets.

Scoring system will be explained at the beginning of each relay. As well as anything else you need to know.
